

Recent STL TRACON Operational Procedural Changes of Interest to STL Regional Area Pilots

Local STL TRACON Air Traffic Control Specialist Pete Seddon is back again to host one of his regular informative sessions for local STL pilots. Topics will include procedural changes of interest to St. Louis regional pilots, the spring thunderstorm season, emergencies, and unusual situations. There will also be time to discuss the usual topics covered previously, depending on time, questions, and interest from the audience.

Directions: Please use your telephone to provide detailed driving directions to the Wings of Hope Facility.
